Lynchburg, VA

Please take a moment to provide your feedback and answer a few questions on the US 501/US 221 Intersection Improvement (Split Pair) Project. The City of Lynchburg and their consultant team want to hear from you. This simple questionnaire will help us better understand how you use the intersection and what improvements matter most to you. The project goals are to improve safety, increase capacity, and reduce delays at one of the most congested intersections in the City of Lynchburg.
